

Nearbor to Nearbor Program

Program Purpose: This program links the efforts of our residents with community resources to assist senior citizens, physically challenged individuals, and others in our community who may need one-time assistance in maintaining their property and are of modest financial means. Taking part in these projects teaches about stewardship of natural resources, in addition to gaining a sense of community pride.

Please note that this program is only conducted in the city of Virginia Beach.

Today's Date: _____

Category: ☐ Senior Citizen ☐ Disabled ☐ Other (specify): _____
